n/a : My First Sticker Encyclopedia - Insects before purchasing it in order to gauge whether or not it would be worth my time, and all praised My First Sticker Encyclopedia - Insects:

0 of 0 people found the following review helpful. I like this series for children because it teaches in a ...By LTI like this series for children because it teaches in a fun way with a variety of visual cues. My only complaint is that the word you are learning is then written in cursive instead of printing. Otherwise having the stickers is a great tool.

A first encyclopedia with stickers, answers your child's questions about insects, while providing hours of fun!

About the AuthorTeora is a children's books publisher.
