Brian Harris : My Future: Career/Educational Planning Activities For High School Students before purchasing it in order to gage whether or not it would be worth my time, and all praised My Future: Career/Educational Planning Activities For High School Students:

MY FUTURE is written for high school teachers, counselors and career advisors. The book provides 150 ready-to-use career/educational planning activities along with black-line masters for related handouts for the students. MY FUTURE is intended to assist students in making more appropriate decisions after high school whether they are

planning on college, university, the trades, or direct entry into the workplace. Chapter titles include: Occupational Icebreakers; Identifying Your Interests; Identifying Your Abilities; Identifying Your Values; Choosing An Occupation; Successful Transitions After High School; and Setting + Achieving Your Goals.

About the Author Brian Harris, the author of this book, is a former award-winning teacher who has taught in all grades in both elementary, middle and high schools. He has also been a guidance department leader in several schools. Brian has written more than 20 books in the area of student success and career/educational planning which have sold more than 500,000 copies. In addition to writing books, Brian is a noted conference speaker and teaches part-time in the Faculty of Education at Queen's University.
