**Marion Monroe : My Little Pictionary** before purchasing it in order to gage whether or not it would be worth my time, and all praised My Little Pictionary:

0 of 0 people found the following review helpful. This is a great book for beginners to use to increase their vocabularyBy FayThis is a great book for beginners to use to increase their vocabulary. They have the word to go along with a picture. It is a book that is easy to carry along with your student/child to study when one has a minute or two.
