I find that the dark shade of green used for the base map does not provide enough contrast with the black or red place names and with some of the roads.2 of 3 people found the following review helpful. Great map, used for planning purposesBy DragonflyDebbiI got this map so I could plan a trip to Myanmar by actually seeing how close or far apart things were. This map is perfect for that!0 of 0 people found the following review helpful. fine.By Lutheri think it is very good , Nice and valuable. best service, patient. just fine. For the affordable price, has a fine sharpness and durability to it!

The Myanmar Travel Map from Periplus is designed as a convenient, easy-to-use tool for travelers. Created using durable coated paper, this map of Myanmar (also known as Burma) is made to open and fold multiple times, whether it's the entire map that you want to view or one panel at a time. Following highways and byways, this map will show you how to maneuver your way to banks, gardens, hotels, golf courses, museums, monuments, restaurants, churches and temples, movie theaters, shopping centers and more!
